HURRICANES HARVEY AND IRMA

The catastrophic and historic impact of Hurricanes Harvey and Irma will continue to impact communities for days, months, and potentially years to come. National has reached out to local associations to support our sisters. Other associations reported they were fine, but Huston reported damages.

YWCA Houston has been serving their community for over 110 years and continues to do so, helping 2,000 people each day. We already know that there are community members and YWCA staff who have lost everything.

We encourage you to make a donation to the:

**YWCA Houston Hurricane
Relief Fund
6309 Martin Luther King Blvd.
Houston, Texas 77021**

set up by YWCA Houston, to support their Meals on Wheels program, YWCA housing recipients, and staff who have been affected and/or displaced by the storm.

YWCA is on a mission, and now is the time to help make a difference in the greater Houston community.

YWCA Carnation Golf Scramble

The 22nd annual YWCA Carnation Scramble was held at Tannenhauf Golf Club on July 28th. We are grateful to all the YWCA members and staff who helped to make it a success. We had a big turnout, great prizes, perfect weather and a fun day.

Thanks to all who helped and all who participated. Special thanks to Gloria and Jan for all their help, thanks to Debbie for making the goodie bags and Nola for making the goodies. Thanks to the board for all the prize baskets and for Kathy Stroia and Sherrie Wallace for making them look attractive.

I hope to see you all next year for another successful scramble.

The Apple Dumpling Gang

Thank you to the many YWCA members who volunteered at the Apple Dumpling Booth during the Carnation Festival Days in the Park. We had a few rain showers through-out the four day event, but the weather didn't stop us from spreading the good word about the Alliance YWCA and serving tasty treats to area residents. Special thanks to the YWCA staff for organizing all the details and preparing the apple dumplings, syrup and cookies. Most importantly, heartfelt thanks to our customers whose purchases continue to support our much-needed programs. We couldn't provide the high-level of service we do without your investment. Thank you again for your continuing support, and we look forward to seeing you next summer!

Noodle Notes 46: *Ghostly Inspiration* By YWCA Food Service Manager, Nola Haiss

I love the small format (about 6x9) cookbooks at the checkouts. There is not a huge number of recipes to deal with, all have a picture, and the instructions are succinct. I carry several in my bag for a few months, work my way thru a number of the recipes, and then retire them back to the bookcase for a few months or even a year or so until the next time I sit in front of the case and peruse my stash going, "Let's see what we find this time." **Bow Tie Cabbage Salad** was a gem found in a *Taste of Home* booklet from Halloween. It is good anytime— not just when the goblins are on the prowl.

Dressing: ½ C evaporated milk
1 Tbs. prepared mustard
1/3 C sour cream
1-½ tsp. salt
1/3 C cider vinegar
½ tsp. pepper
¼ C sugar

Combine dressing ingredients; mix well. Cover and refrigerate overnight.

Salad: 1-½ C uncooked bow tie pasta
5 C shredded cabbage
½ C chopped green pepper
¾ C chopped green onions
8 oz. cheddar cheese, shredded

Cook pasta according to directions; drain, rinse in cold water. Place in large bowl and add the remaining ingredients. Add dressing and toss to coat. Cover and refrigerate for an hour or so. I have "played" with the dressing, of course, by using mayo and sour cream or even just mayo. Use white vinegar if that is what you have, and add a little more sugar if you find the cabbage is a little bitter. The cheese doesn't have to be cheddar, and this is one instance where I prefer to leave out the green peppers.
